

Mauritius All-in-One-Travel Digital Form

*This is to notify that **the Mauritius All-in-One Travel Digital Form, which has replaced all previous forms, has "gone live" since 01 December 2021** in order to ease health data capture and diseases surveillance in the context of COVID-19 with regard to incoming passengers in Mauritius. **The Mauritius-All-in-One Travel Digital Form is accessible at <https://safemauritius.govmu.org/>***

*Passengers would still need to **bring one copy of the printed Mauritius All-in-One Travel Digital Form** to be used by the Passport and Immigration Office (PIO), Mauritius, before going paperless after interfacing with its current Border Control System (The Health Declaration Form (Yellow Form) is no longer being used by the Mauritian authorities).*

The introduction of the Mauritius All-in-One-Travel Digital Form is in line with the Convention on International Civil Aviation
